

Learning phase

Vignette
Background

$C = c$
 $A = a$
Did E occur?

Feedback

Manipulation Check

Experiment 1

How much do C / A vary
from day to day?

Experiment 2

What is the average of C /
A?

x 10

x 4

Judgment phase

Causal judgment

Confidence

Surprisal

Vignette

To what extent did
 $C = c$ cause E?

How confident are you
in this response?

How surprised were you
that $C = c$?

How surprised were you
that $A = a$?
