Learning Phase
Vignette Background
C = c
A = a
Did E occur?
Feedback
x 10
Manipulation Check
Experiment 1
How much do C / A vary from day to day?
Experiment 2
What is the average of C / A?
x 4
Judgment Phase
Causal Judgment
Confidence
Surprisal
Vignette
To what extent did C = c cause E?
How confident are you in this response?
How surprised were you that C = c?
How surprised were you that A = a?
